JUNE 2022 NEWSLETTER

Family and Friends of Regency,

Thank you for choosing Regency as your home. We love taking care of our residents and want them to be happy, safe, and active.

We have spent the whole month of May celebrating! Each month we have a big birthday party for all of our residents that celebrates the birthdays for that specific month. We also had a celebration of Mothers and our employees, both included families and friends. In June we look forward to celebrating fathers.

Personally, I had a daughter get married and have a grandbaby turning one in June. I am sure that you have also had lifetime celebrations in your families. Those lifetime memories are cherished and shared throughout our lives.

Cheryl Arnold, a sweet friend and volunteer, will be working on a shadow box project for our Memory Care residents. We would love for you to please send in a past photo of your loved one as well as a current photo. A good example of a past photo: One of our residents has a picture of herself as a cheerleader in high school. I love that photo and I am sure she loves it too! You can drop a photo off at the community or mail it to us at 5001 Old Montgomery Highway, Tuscaloosa, Alabama 35405.

We will be on the move this summer, taking day trips around the State of Alabama. If you would like to volunteer to go on a day trip with us or volunteer in another way, please contact us at 205-752-5500.

Moving also means getting out of bed and becoming active! We have exercise options for those that would like to participate. We also have a beautiful courtyard that includes some planting projects, if you would like to join in the fun.

I look forward to seeing each of you sometime this summer. Please reach out to me if you need me or have any questions.

Jennifer Anderson, Executive Director

FUN FACTS

- » The name June is the modern day adaption of the Latin word Junius, which has its origins dating back to the ancient Romans.
- » There are multiple theories as to what the month of June was named after. One theory is that it was named after the Roman goddess of marriage, Juno. Another theory is that its name originates from the Latin word iuniores, which translates into "younger ones". Yet another possibility is that the month was named after Lucius Junius Brutus, the founder of the Roman Republic.
- » June was called sera monath by the Anglo-Saxons, which translated into "dry month".
- » June used to be the fourth month in the year. Before Julius Caesar came to power, the calendar year only had 10 months. In 46 BC he created the Julian calendar by adding two more months to the year, which made June the sixth month.
- » No other month in the year begins on the same day of the week as June.
- » June has both the longest and the shortest days of the year, depending on where you're standing! If you live in the northern hemisphere, then June 21st is the longest day of the year. If you live in the southern hemisphere, then the 21st is the shortest day of the year.
- » The first day of summer in the northern hemisphere is June 21st.

EMPLOYEE RECOGNITION PROGRAM

Thank You,

for your outstanding service & care!

EMPLOYEE OF THE YEAR

Haleigh Lundell

I was born in Jackson, Mississippi but I've lived in Tuscaloosa for most of my life. I graduated from Hillcrest High School and am currently trying to go back to school and continue my education in the medical field. I hope to become a nurse one day. I started at Regency a year out of high school. I was introduced to the practice by taking care of my sick mom, and I've been here ever since. I enjoy helping other people.

My six-year anniversary at Regency was this year. When I'm not working at Regency I'm at home taking care of my niece and nephew. I spend my free time soaking up the sun in the pool or shopping. Thank you all for choosing me to be Employee of the Year.

EMPLOYEE OF THE MONTH

Ra'jeeyah Peters

Re'jeeyah Peters, who goes by Ray-Ray, comes to us from Wisconsin. She is Jamaican and twenty-one years old. Ray-Ray came to Alabama to further her education in becoming a nurse. She enjoys spending her free time with family and friends.

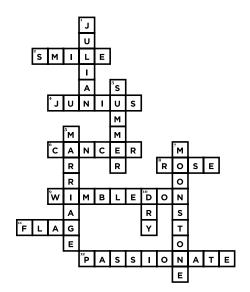

Ray-Ray loves working with residents

and getting to know all of them. Working at Regency helped her realize that she has a family in Tuscaloosa, and it's called Regency.

She thanks everyone that nominated her and thanks Regency Retirement Village of Tuscaloosa for this opportunity. (Thank YOU, Ray-Ray!)
